

## User 1: Abby

### Pre-Test Survey:

- **Age range:** 20
- **Occupation or field of study:** Unemployed, volunteering
- **Experience level with Chrome extensions:** No experience
- **Familiarity with Pomodoro or focus tools:** No experience with focus tools except for listening to music
- **Self-rated technical proficiency (1–5 scale):** Minimum 1-2, had a computer a long time ago

Participant ID	Task	Success (Y/N)	Time (s)	Errors	Notes
Abby	Task 1: Install the Extension	Yes, eventually did complete but had difficulty cloning the repository and navigating extensions.	7 min 27 sec	None	The user noted that the instructions weren't very intuitive and let us know that the user must need knowledge of computers.
	Task 2: Setup LED Features	Yes, but was confused about which port to choose	3 min 5 sec	None	No feedback that the port was connected was confusing to the participant
	Task 4: Add a Focus Site	Yes, completed very easily	1 min 15 seconds	None	
	Task 5: Recognize Warning on Non-Focus Site	Yes, recognized the warning signs	1 min 2 sec	No coffee mug animation	Manual says a coffee mug appears on all

				found until the break.	tabs, but it does not appear.
	Task 6: Observe Break Notification	Yes, recognizing the notification was very quick and easy.	5 sec	None	
	Task 7: Stop or Pause Session	Yes, very easy, the lights were off.	5 sec	None	None

### Task 1 Observations:

- Satisfaction score: 1
- Recognition rate: 10%
- Task completion time: 7 minutes with 27 seconds
- A bit confused
- Not so intuitive
- Clone the repository is not a very clear instruction, requires technical knowledge that is not available to everyone and it's not given in the user manual
- Found it complicated the whole time

### Task 2 Observations:

- Satisfaction score: 3
- Recognition rate: 60%
- Task completion time: 3 minute with 5 seconds
- Feels easier than first task but still a bit confusing
- Does not realize which serial port to select
- No feedback that it is connected

### **Task 3 Observations:**

- Satisfaction score: 5
- Recognition rate: 100%
- Task completion time: 1 minute with 15 seconds
- Instructions are clear to follow
- Finds it pretty easy

### **Task 4 Observations:**

- Satisfaction score: 5
- Recognition rate: 100%
- Task completion time: 1 minute and 2 seconds
- Manual says a coffee mug appears on all tabs, but it does not appear
- Notices a yellow color warning
- Notices the notification

### **Task 5 Observations:**

- Satisfaction score: 5
- Recognition rate: 100%
- Task completion time: seconds
- Notification does appear

### **Task 6 Observations:**

- Satisfaction score: 5
- Recognition rate: 100%
- Task completion time: 5 seconds
- Identifies the correct control with no assistance
- It was pretty easy

## Post Test Survey

Question	1	2	3	4	5
I found the FocusBrowse interface easy to use.					x
I understood when I was supposed to take a break.					x
The warning bar and visual feedback were clear and helpful.			x		
It was easy to add or remove focus sites.					x
The extension helped me stay focused during the session.			x		
I would like to use FocusBrowse in my future study sessions.	x				

### Open-ended Questions:

- What did you like most about using FocusBrowse?
  - The interface is very clear, where everything is and how it works, is understandable.
- What did you find confusing or frustrating?
  - Setup, due to lack of knowledge
- Do you have any suggestions for improvement?
  - Less bright light, it is a bit distracting
